The SPIRIT of USF

A New Semester Begins

The start of Fall 2025 brought a vibrant new season for the USF Ambassadors as we returned to campus ready to lead, serve, and reconnect. From reuniting after summer to stepping into a full calendar of events, our team began the semester with strong momentum and a renewed sense of purpose.

The months that followed were filled with meaningful interactions, shared accomplishments, and moments that reminded us why we proudly wear the green jacket. This fall set an inspiring tone for the year ahead, and we look forward to carrying that spirit into everything we do.

Fall Spotlight

A Semester of Spirit, Service, and New Beginnings

This semester has been a season of growth, connection, and renewed purpose for the USF Ambassadors. We began the semester by welcoming new members into the organization and strengthening the bonds among our returning leaders. Whether guiding prospective Bulls, supporting high-impact USF events, or serving the Tampa Bay community, Ambassadors have continued to show what it means to lead with integrity, enthusiasm, and heart.

From impactful service initiatives to exciting student and alumni engagement, this semester has already been filled with moments that reflect the Spirit of USF. With strong teamwork, new accomplishments, and unforgettable memories, Fall 2025 has set the stage for an incredible year ahead – and we're just getting started.

This fall highlighted the connections, teamwork, and experiences that define who we are as Ambassadors.

Together, we create moments that embody the spirit, service, and heart of USF

Leading with Purpose

Ambassadors represented USF with pride and professionalism throughout the semester.

Connecting with Community

Every event brought new opportunities to support students, families, and alumni.

Memories We Cherish

These moments capture the joy, spirit, and unity of our Ambassador family.

Ambassador Events

From campus traditions to alumni celebrations, this semester was filled with unforgettable moments and impressive Ambassador involvement. We supported so many events this semester that it's nearly impossible to highlight them all – but these two events offer a glimpse into the consequential work we accomplished this semester.

Women in Leadership & Philanthropy (WLP) Symposium

Ambassadors supported the WLP Annual Symposium's 20th Anniversary, welcoming nearly 1,000 guests, community leaders, USF leadership, and keynote speaker Geena Davis. It was a meaningful opportunity to represent USF at one of the university's premier events.

Alumni Association Spirit Tent

Ambassadors helped bring energy to Raymond James Stadium by supporting the AA Spirit Tent before the Homecoming Game. We handed out beads, thundersticks, stickers, and more as Bulls fans gathered to celebrate. With a huge 48-13 win against FAU, it was truly a great day to be a Bull!

Spirit of Service

Green & Gold Gratitude
Ambassadors partnered with USF Fraternity and Sorority Life to host Green & Gold Gratitude, an event dedicated to writing letters of appreciation for veterans. Students and staff came together to share heartfelt messages and honor those who have served our country.

Heart of a Bull

Ambassadors participated in the Tampa Bay Heart Walk at Raymond James Stadium, joining thousands to raise awareness and support for the American Heart Association. It was a great opportunity to give back and stand united for a cause that impacts so many.

Feed the Bull

During Bull Market, Ambassadors helped gather essential items for the Feed the Bull food drive, encouraging students to donate food, hygiene products, and pantry staples. The event made a meaningful difference in supporting the Feed-A-Bull pantry.
